Dear Mr. Wenzel

We wish to apply for renewal of our exemption (No. 7063, Regulatory Docket No. 29453). We have submitted a renewal dated 22 Sept 2001, but as yet have not received a reply to this letter. In talking with Mr. Michael Lynn Henry of the Minneapolis FSDO at this years NWOC Conference, I understand that many letters have been lost, or are still filtering through to the FAA offices. Here is the copy of our exemption, and a copy of the original submission which I also sent 22 Sept 2001.

At this time we request no changes to the aircraft listed, and wish to resume rides beginning this air show season.

Thank you
